MAESTRO

by Aptar

BE OUTSTANDING! BE A CHEF!

An Enjoyable Cooking Experience

- Easily identify which way to pour: **intuitive dosing** with raised spout
- Provides **effortless opening** and closing with a wide-finger recess
- Comfortably fit for different cooking purposes: **Pianissimo and Fortissimo orifices.**
- Provides a **constant flow** with the venting mechanism
- Offers the assurance of a **tight seal** with audible click upon closing
- Convenient **one-hand usage**

Smart and Modern Lifestyle

- Premium and unique package with a transparent and **shiny body** paired with **colored spout**
- Facilitate **e-commerce** sales expansion as Maestro is ISTA-6 friendly
- Play with colors and **catch consumer's attention on the shelf**
- **Wide application:** edible oils, vinegars, salad dressings, syrups, creamers and more

Cleanliness Everywhere

- Avoid leaks, drips and mess: **innovative cut-off** feature
- Tightness between lid n PP and raised spout in PE promotes **packaging integrity and product safety** during shipping and handling

Leading the Way to Sustainability

- Breakthrough snap-on closure with **no detachable parts**
- **Lightweight** (3.03g)
- Made of **100% recyclable materials:** PP & PE
- Opportunities for **reduced eco-tax fee**

Specifications:

- 26/21 neck finish snap-on
- 27.94mm outer diameter
- Raised spout with two orifices to pour
- Plug Seal
- 3.03g
- Various color options

Play your own symphony!
