Secure Shipping. Elegant Design.

E-COMMERCE COMPLIANT

- ISTA-6Overbox Testing Qualified*
- Non-visible e-commerce features: protect from cracking or leaking during transit

SHELF PRESENCE

- Stand out on shelf with elegant frost body and gloss lid or fully glossy
- Personalize to your brand with custom logo capability

*Test results vary based on final formula and packaging size.

INCREASED SUSTAINABILITY

- Eliminates the need for liners, shrink bands and other excess packaging
- Fully recyclable

IMPROVED EFFICIENCIES

- Avoid shipping preparation fees
- Reduce supply chain complexity and lead times by eliminating the liner
- Reduce complaints and returns due to breakage and leakage during shipping
