**Secure shipping
made easy.**

The next generation of disc tops

E-COMMERCE CAPABLE

- ISTA-6 Overbox Testing Qualified*
- Non-visible e-commerce features protect from cracking or leaking during transit
- Designed to withstand extreme shipping conditions

INCREASED SUSTAINABILITY

- Eliminates the need for liners, shrink bands, and other excess packaging
- Fully recyclable
- Available in Post-Consumer Recycled (PCR) resin

CONSUMER EXPERIENCE

- Intuitive and easy to open
- Shipping protection ensures a delightful consumer unboxing experience
- No need for difficult-to-remove excess packaging

IMPROVED EFFICIENCIES

- Avoid shipping preparation fees
- Reduce supply chain complexity and lead times by eliminating the liner
- Reduce complaints and returns related to breakage and leakage during shipping

SPECIFICATIONS

- Neck Finish: 24-410 Flat
- Orifice Sizes: .166", .310"
